The Providence

The Story of the Rich Young Ruler

By Quinlan Motley

Literary spiritual fiction inspired by the biblical account of the Rich Young Ruler.

THE STORY

What happens when the security a person has built can no longer answer the deepest question of his life? The Providence explores wealth, responsibility, generosity and surrender through an imagined life inspired by the biblical encounter.

READING AND LISTENING

English written edition: complete PDF and EPUB together. Free written opening: Prologue and Chapters 1-7. Complete Chapters 1-20 and the author's note require purchase access. Separate English audiobook with AI narration using Eldrin, a British baritone voice. The authorized free audio opening includes opening, dedication, Prologue, Chapters 1-7 and a closing invitation. Complete audio requires purchase access.

CONVERSATION STARTERS

How can a novel explore the difference between security and purpose?

What does generosity ask of a character before and after success?

How does fiction open a conversation while remaining distinct from scripture?
