The Whitakers of Sullivan's Island

By Quinlan Motley

Southern family fiction inspired by Southern Christian values, from Thanksgiving to Christmas.

THE STORY

An unexpected discovery before Thanksgiving brings a family toward a heartwarming Christmas Day ending. The novel explores belonging, generosity and the meaning of family in Sullivan's Island, South Carolina.

READING AND LISTENING

English written edition: the revised 18-chapter book, with complete PDF and EPUB together. Read complete Chapters 1-7 free. Chapter 8, "His Son," begins the paid continuation. A separate paid English audiobook with no public audio preview. Its recording is distinct from the revised written edition. Existing eligible buyers recover their purchased formats through My Books.

CONVERSATION STARTERS

What is the difference between offering hospitality and developing belonging?

How do family traditions make space for change?

How can a seasonal setting deepen a story about responsibility?
