### THE STORY

Eli arrives at a Charleston law office with a photograph and a returned letter. His questions draw him toward the Whitakers of Sullivan's Island just before Thanksgiving. Quinlan Motley's adult Southern family novel, inspired by Southern Christian values, follows the family toward a heartwarming Christmas Day ending. A summer near the island with family inspired the setting.

### THE REAL PLACE BEHIND THE FICTION

*"A summer near Sullivan's Island with my family inspired me to make the island the setting of my novel, The Whitakers of Sullivan's Island."*

Quinlan Motley

### CONVERSATION STARTERS

What evidence can establish. An invitation made before a household has been consulted. The difference between offering hospitality and developing belonging.
